Version: 20201126
Owner: Human Resources Manager
Topic area: Human Resources, and Health and Safety
Document Reference Number: APS HR 001

1. OBJECTIVE

The Asia Pacific School considers the safety of our students of paramount importance and we make a commitment to protecting the children with/for whom we work.

To this end, this policy has been developed to embed safer recruitment practices and procedures throughout The Asia Pacific School and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care. This policy reinforces the school's Whistleblowing Policy (reflected in the Safeguarding Policy) that all staff are expected to be familiar with. All successful candidates for paid employment or volunteers will be made aware of these documents.

This policy is an essential element in creating and maintaining a safe and supportive environment for all students, staff and others within the school community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers. It aims to:

- attract the best possible candidates/volunteers to vacancies;
- deter prospective candidates/volunteers who are unsuitable from applying for vacancies; and
- identify and reject those candidates/volunteers who are unsuitable to work with children and young people.

The Asia Pacific School is committed to using procedures that deal effectively with those adults who fail to comply with school's safeguarding procedures and practices.
