Note:

- Parents are reminded to regularly impress upon their children the importance of personal safety and security and practising good behaviour whilst travelling in the transporter's vehicle.
- The transporters have been brief (and will be reminded from time to time) of the importance of operating safely and efficiently, in compliance with all applicable statutory requirements.
- The transporters are third party service provider, and not contracted with or by the school. The school does not advocate or approve any of the transporters and the list above is shared to solely provide parents with contacts of transporters which have approached the school to offer transportation service. Transport arrangements are to be discussed and agreed between parents and the transporters and the transport fares must be paid directly to the transporters.
- The school shall not be held responsible for any change in transport fare, routes taken and travelling schedules or any untoward incidents that occurs while children being transported or in connection with the transport arrangement.
